

## OUR RESPONSE TO CORONAVIRUS

### **Our team will continue to be accessible.**

Given the NSW Government shut down of non-essential services – the entire Hemisphere Accounting team will be working remotely. We want to play our part in stopping the spread. **Our team will continue to be accessible via email, telephone (02 9056 5078 ) or by video conferencing (Zoom or Skype).** Please be assured that we are here to support and assist our clients during this unprecedented time.

### **We are here to support you.**

The Hemisphere Accounting team are committed to helping guide you and your business through this unstable time. These are times when we need to stay calm and rely on reliable news sources and information from State and Government websites. What you see on social media may be panicky and unreliable information – stay away from this.

**Please Note:** Many of the comments in this blog are general in nature and anyone intending to apply the information to practical circumstances should seek professional advice to independently verify their interpretation and the information's applicability to their particular circumstances.
